Profile of Toddler Group and Preschool – Nicola offered to ask Walshaw Chip Shop, the Co-op, the butchers and any other places she visits to put up posters advertising the groups. *Jennifer to provide poster for Nicola*

It was suggested a point of contact was put on the posters.

It was agreed that if the shops required a small fee to put up the posters the money should be taken out of petty cash.

Fundraising – the idea of a pamper party was suggested, it was agreed that we would hold something along these lines in approximately March so that we had more time to organize it.

The idea of selling key rings showing a piece of the child's work was discussed. *Gillian will look into suppliers of key rings and Catherine offered to produce them.*

Christmas – It was agreed to hold a raffle, bottle and chocolate tombolas and a name the teddy at the Christmas concert. *Nicola and Gillian will arrange the raffle. Anita will do the bags for the parents' donations for the tombolas.*

Any Other Business –

Photos – It was agreed that parents would not be sent the packs of photos as in the past someone has scanned the photos and not purchased any. If parents want to take a photo for showing their partners etc a small photo would be sent.
